We are looking for work party volunteers to join us on our reserves; Portmore Lough, Montiags Moss and Lough Beg. RSPB nature reserves are special places for people and wildlife and we rely on volunteers to keep these habitats thriving and in good shape. This role is suitable for under 18's.

It might seem like these wild places have always just been there. But quite often we have to work really hard to maintain habitats to be in the best condition for wildlife. We have lost a lot of wild landscapes, so the small places that we do have, need a bit of extra care.

As a Reserve Work Party Volunteer you will be joining a regular practical work party team to undertake practical habitat management tasks across the three Lough Neagh Reserves:

- Cutting and clearing vegetation.
- Maintaining and managing tools and equipment.
- Creating and maintaining visitor infrastructure, such as paths and benches.

If you enjoy being outdoors, meeting new people and hands on conservation work, then this role could be the perfect opportunity for you. This role does involve a reasonable amount of physical activity, so will enable you to keep your fitness levels high, as well as helping your mental health and wellbeing. You will have the satisfaction of knowing that you are making a genuine contribution to nature conservation, and you might find it rewarding to safeguard nature in the area you are working to protect.

We are a friendly and supportive team. If you are volunteering to learn new skills and gain knowledge about wildlife conservation work, you will find that our team will be more than happy to help you on that journey.

- Encouragement for families to develop mutual trust and consider more satisfactory family venues.

Adjudicators

To hear the insightful views of today's youth on global issue. All we need are good listeners who can see arguments from both points of view. We will be running a brief training session which is 45 minutes and helps the volunteers to understand the marking scheme for each debate. Each debate runs for just over an hour and takes place in the schools themselves in the evening after work. You can support as many or as few debates as you wish, but we would ask all adjudicators to consider supporting two debates during the programme. As part of the application process all adjudicators must complete an Access NI Basic check.

Home Based Volunteering

See Around Britain & See Around Europe form a huge photo gazetteer throughout the UK and Ireland and mainland Europe, designed for everybody, including disabled people, to help decide if a venue will be suitable for visits.

Everything from transport access to washroom facilities can be viewed in a series of photographs of the venue. View the suitability and accessibility before you plan to visit or arrive at the venue.

They are urgently recruiting volunteers for 2 homebased volunteer roles:

Calling all Knitters and Crocheters.....

- 'Twiddle muffs' are a knitted or crocheted band with items attached that patients living with the advanced stages of dementia can twiddle in their hands. People with dementia often find fiddling with material a helpful way to relieve feelings of anxiety.
